Theme 1. Business Company - Responsive Drupal –

http://www.santoshsetty.com/tf/drupal-templates/smartbusinesscompany/

I really like this theme as it's as minimal as it can get and it will let the content do the talking. The background should be a nice blue in colour while the slider will feature up to 4 slides which gets straight to the point of communicating with our customers.

I suggest we should have not more than 4 slides here which should feature the following:

- A multicultural picture relating to Financial Institutions (main) (Imagebrief)
- A multicultural picture relating to Banking
- A multicultural picture relating to Retail
- Our Featured Product

Possible Section Headings:

ABOUT	SOLUTIONS	NEWS UPDATE	CLIENT HUB	Contact
Mission	Financial Institutions	What Astor Technology's latest offering, involvements and clients.	How we can give you the edge in your business (Ask us).	
Vison	Banking	Press Releases	Request Demos	
Our Latest Featured Product (CloudCase)	Retail

Theme 2. Skifi: Bootstrap Drupal - http://demo.worthapost.com/skifi/default/?scheme=sky_blue

I really like this theme as it's elegant and offers easy animated options for slides as well as videos. It feels simple yet effective enough to connect with our target market/customers and it also feels very professional.

I suggest we should have not more than 4 slides here which should feature the following:

- A multicultural picture relating to Financial Institutions (main) (Imagebrief)
- A multicultural picture relating to Banking
- A multicultural picture relating to Retail
- Our Featured Product

Theme 3. Oliver: Responsive Drupal - http://oliver.snappytheme.com/

I really like this theme as it's very pleasant on the eyes and is tastefully minimalistic. It also uses colours to highlight features when the cursor is on it which I also like, it's trendy yet elegant. I believe it is suitable for our target market.

I suggest we should have not more than 4 slides here which should feature the following:

- A multicultural picture relating to Financial Institutions (main) (Imagebrief)
